VIRTUAL ACADEMIC STAKEHOLDERS MEETING: July 2020

The PMF Program Office invites our academic stakeholders to participate in the annual PMF Academic Stakeholders Meetings for the upcoming PMF Class of 2021 Application via on-line webinars to be held on July 15th and 16th, 2020.

REGISTER IN ADVANCE TO ATTEND

This year we are offering the following two options for academia:

1. **Wednesday, July 15th from 3:00pm to 4:30pm (ET):** This 1.5-hour webinar will provide an overview of the PMF Program, describe the upcoming 2021 application and assessment process, review the 2021 timeline, and, as time permits, open the webinar for questions. Register here: <https://pmfacademiajuly15.eventbrite.com>
2. **Thursday, July 16th from 3:30pm to 4:30pm (ET):** This 1-hour webinar will provide a condensed overview of any updates to the 2021 application and assessment process. This webinar is intended for academic stakeholders already familiar with the PMF Program. As time permits, we will open the webinar for questions. Register here: <https://pmfacademiajuly16.eventbrite.com>

We kindly request you only register for one of the two events, as space is limited to 500 participants each. If you are unsure of which meeting to attend, we recommend the first one on July 15th to receive a complete overview.

These webinars are intended for academic stakeholders only (e.g., Career Services staff, Department Heads, Deans, Counselors, etc.). Please review the [Academia](#) webpage on our website www.pmf.gov for information on advising students, publicizing the PMF Program on campus, resources, and frequently asked questions. The PMF Class of 2021 Application will run from 9/30/2020-10/14/2020.

Join the PMF Campus Listserv: Academic officials are encouraged to join our PMF Campus Listserv to receive important program updates. To subscribe, visit https://www.opm.gov/listserv_apps/ and select "PMFCAMPUS" from the drop down, enter your name and email, and hit "Submit."
